

My Dear Students & Staffs,

Note : Due to large no. of requests from students & staff, last date for abstract/paper submission is extended till 5/5/19

The ECE Dept. of DSCE, Bangalore, Karnataka is organizing a National Conference (NCEC-19) from 9 to 11th of May 2019 under the aegis of **IEEE-DSCE Students Chapter & the IEEE Women in Engineering WIE Students Chapter of DSCE.**

Registration fees for students : Rs. 200 (UG students) per project batch per paper registration, Rs. 300 (PG students & Research Scholars), Rs. 400 (Faculties & academicians), Rs. 500 (industry people). At least one author has to register in the project batch in the group. On spot registration in cash on the day of the conference is only accepted.

Authors should send **ONE Page Brief Abstract of the paper in word format only** (title of paper, USN, student name, guide name, designation, address, email-id & phone followed by the work carried out & keywords) & shall reach Organizing Secretary on or before 5/5/2019 along with the registration. Once the abstract is accepted, the full-length paper of 6 pages in the IEEE format need to be submitted to the conference mail id immediately. Once the abstract is accepted the participants have to register the paper compulsorily on the day of the conference, else it will not come in the proceedings. Mention your paper id for all future correspondences.

Note : Format for 1-page abstract & the final manuscript template attached.

Authors are requested to submit their (*topics mentioned in brochure*)

PhD papers in the form of 1 page abstract,
PG projects in the form of 1 page abstract,
PG technical seminars in the form of 1 page abstract,
UG final year projects in the form of 1 page abstract,
UG technical seminar reports in the form of 1 page abstract,
Mini projects in the form of 1 page abstract,
AATs in the form of 1 page abstract,
Case studies in the form of 1 page abstract,
Simulation studies in the form of 1 page abstract,
